

ALISON SMITH RECEIVES LANCASTER CHAPTER MOAA SCHOLARSHIP

The Lancaster Chapter Military Officers Association of America (MOAA) is pleased to announce the award of the 2018 Lancaster Chapter Memorial Scholarship to Alison Smith, a graduating senior at J.P. McCaskey High School. This scholarship is provided for a Lancaster County high school senior planning to attend post-secondary education and who has an immediate family member that has served, or is currently serving, in the U.S. Military. Selection for this award is based on the individual's scholastic record, extra-curricular activities and community service with emphasis on demonstrated leadership abilities. Alison will attend the University of Pittsburgh, College of Business Administration in the fall. Her plans include a dual major in marketing and supply chain management with a minor in Spanish. She also hopes to complete requirements for a certificate in international business. This \$1,000 scholarship was presented at the high school awards assembly May 16th by Scholarship Committee Chair Colonel George Resh and Mrs. Joann McOmber in memory of her late husband Commander Gerald E. McComber. Alison and her mother were also honored guests at a Lancaster Chapter MOAA dinner meeting on June 28th at the Bent Creek Country Club.

Alison Smith

David W. Shelton, Lt. Col. USAF (Retired)
