• From the President's Desk:

I want to begin by thanking our Vice President Bill Zeird for covering for me at the Bent Creek Membership Meeting. I hope all who attended enjoyed the presentation about the Guitars For Vets program. The Guitars For Vets group definitely offered some entertaining music at our picnic.

Dan Horting

As I am writing this column, Nancy and I are wrapping up a three week trip through France, Switzerland, and Italy. I am currently sitting in the Ramstein Passenger Terminal waiting for a military space available flight back to the states. Space A has its pros and cons. It can save you travel money but it can also be frustrating. All I can say is you need to be flexible and have alternative options. If anyone is considering using military Space A travel, I am willing to provide my personal experiences.

I would like to thank Bill Confer, Dennis Benchoff, and Dave Shelton for their assistance in manning a MOAA booth at Lancaster Community Days. We did not have a lot of success in recruiting new members but we did handout several cartons of USAA supplied items during the event.

I am looking forward to our annual Christmas Luncheon on Sunday, December 8th at Millersville University. This is always a very nice event, and I hope to see many of you attend. As we approach the busy holiday season, I hope you have the opportunity to enjoy time with friends and family whether near or far.
